Letter to Rev'd Forbes Auchmuty of Cleobury Mortimer, dated Sept 14th 1898:

1898

Phillips Chambers
St George Street
Cape Town

Dear Sir

Having been requested by Mr Charles Auchmuty to give ? in my professional capacity concerning a certain piece of ground at Observatory mentioned to you by him as to its value and capabilities.

Having personally known Mr Gilchrist, the original owner, I am well acquainted with the site referred to. It is my opinion that the property is well worth £600 according to present value of land in the district, at the present rate of progress and the large number of buildings erected and being erected in close proximity, the site is bound to increase considerably in value.

I consider it is quite possible and practical to erect 5 double story houses of the usual type here, including a corner shop which would bring in a rental of at least £30 per month, which rental would, in all probability increase at a very early date.

Should you require any further information concerning the question, I should be pleased to furnish you with same.

I remain, Dear Sir, Yours faithfully,
C H Smith
