- 14 200 acres

Page 800 -- Andrew Turnbull, Heirs of (second paragraph)

Note: The following appears to be a description of each of the fourteen items of land listed on the foregoing page.

The first grant of three hundred acres, Lying on Billsborough river opposite the north end of his (Andrew Turnbull's) tract of twenty thousand acres, with a warrant of survey for the said land, directed to William Gerard DeBrayhm, Surveyor General, by Governor James Grant, dated the 17th January 1767; and order of survey, same date; a certified copy of plat and certificate of survey, dated 18th January, 1767; and order signed by John Funk, deputy surveyor, referred to, an marked exhibit A, No. 1.

The second grant of one thousand three hundred acres of land Lying on Spruce Creek, with a warrant of survey for the said land directed to William G. DeBahm, Surveyor General, by Governor James Grant, dated 3rd December, 1770; a certified copy of plat and certificate of survey, dated 4th day of January, 1771, signed by John Funk, deputy surveyor, referred to, and marked exhibit B, No. 2.

The third grant of one thousand acres of land, Lying on Pablo's Greek, opposite to Mr. Woolridge's land, with a warrant of survey for the said land directed to William G. DeBrahm, Surveyor General, by Governor James Grant, the 16th April, 1770; and order of survey, same date; a certified copy of plat and certificate of survey, dated 20th April, 1771, signed by James Delaire, deputy surveyor referred to, and marked exhibit C, No. 3.

The fourth grant of two hundred acres of land, Lying on an island swamp, about two miles west from the Stockades fort, with a warrant of survey for the said land directed to William G. DeBrahm, Surveyor General, by Governor James Grant, dated 17th January, 1767; a grant signed by James Box, Attorney General, dated 21st January, 1767; for said land; and a certified copy of plat and certificate of survey, dated 20th January, 1767, signed by John Funk, deputy surveyor, referred to, and marked Exhibit D., No. 4.

The fifth grant of ten thousand acres of land, Lying on the south side of the forks of Nassau river, with a warrant of survey for the said land, directed to Frederick George Mulcaster, Surveyor General, by Governor John Moultrie, dated 5th April, 1773; with a play of survey having no date, referred to and marked Exhibit E, No. 5.

The sixth grant of one hundred acres of land, Lying about seven miles south from St. Augustine, with a warrant of survey for the said land, directed by (to) Frederick George Mulcaster, Surveyor General, by Governor Patrick Tonyn, dated 18th October, 1774; an order of survey same date; and a certified copy of plat Page 1 53 and certificate of survey, dated 24th 1774, referred to, and marked Exhibit F, No. 6.

The seventh grant of fifty acres of land, Lying between Halifax river and the sea beach, about three-quarters of a mile to the northward of the Mosquito inlet, with a warrant of survey directed to F. G. Mulcaster, Surveyor General, by Governor Tonyn, bearing date 18th October 1774; an order of survey of same date; and a certified copy of plat and certificate of survey by John Funk, deputy surveyor, dated 2nd January, 1775, referred to, and marked Exhibits G, No. 15.

The eighth grant of one hundred acres of land, Lying on the east side of Hillsborough river, and a little to northward of the Mosquito inlet, with an order of survey, dated 7th June, 1773, "signed John Moultrie," and a certified copy of plat and certificate of survey by John Funk, deputy surveyor, dated 8th June, 1773, referred to, and marked Exhibits H, No. 7.

The ninth grant of twenty thousand acres of land, Lying two miles and three quarters from the Mosquito inlet, with a mandamus for twenty thousand acres of land, dated the 18th day of June, 1766; a warrant of survey directed to William Gerard DeBrahm, Surveyor General, by Governor James Grant, dated 15th January, 1767; a grant signed by James Box, Attorney General, dated 17th January, 1767; and certified copy of plat and certificate of survey by John Funk, deputy surveyor, dated January 15, 1767, referred to, and marked Exhibits I, No. 9.

The tenth grant of one thousand acres of land, Lying about sixty miles south from St. Augustine, on the head of Fishing Creek, a branch of the river Halifax, with a mutilated warrant of survey directed to William Gerard DeBrahm, Surveyor General, by Governor James Grant, dated the 25th of June, 1767; and a certified copy of plat and certificate of survey by John Davis, deputy surveyor, dated 29th December, 1768, referred to and marked Exhibits J (No.?).

The eleventh grant of three thousand six hundred acres, Lying on Sugar island, about twenty miles to the southward of Mr. Elliot's plantation, **with a warrant of survey directed to Frederick George Mulcaster, Surveyor General, by Governor Patrick Tonyn, dated 21st January, 1775**; an order of survey of same date, and certified copy of plat and certificate of survey by John Funk, deputy surveyor, dated the 17th of March 1775, referred to, and marked Exhibits K (No. ?).

The twelfth grant of two hundred and fifty acres of land, Lying on the west side of Tomoka Creek, adjoining on the south line of lands surveyed for the children of the late James Moultrie, Esq., **with a warrant of survey directed to Frederick George Mulcaster, Surveyor General, by Governor James Grant, dated the 16th of February, 1771**; an order of survey, same date; also a certified copy of plat and certificate of survey by John Fundy, deputy surveyor, dated 20th February 1771, referred to, and marked (Exhibits) M, (No.?).

The thirteenth grant of two hundred acres, Lying on the west side of Tomoke creek, adjourning Mr. Alert's line, with a warrant of survey directed to William Gerard DeBrahm, Surveyor General, by Governor (James) Grant, dated 9th August, 1770, an order of survey, same date; and a certified copy of plat and certificate of survey, dated 4th of January, 1771, by John Funk, deputy surveyor, referred to, and marked Exhibits N, (No.?).

The fourteenth grant of two hundred acres, lying on the west side of Tomoka Creek, opposite an island and the said creek, **with a warrant of survey directed to F. G. Mulcaster, Surveyor General, by Governor James Grant, dated 11th October, 1770**; an order of survey same date, and a certified copy of plat and certificate of Survey, dated 4th January, 1771, by John Funk, deputy surveyor, referred to, and marked Exhibits O (No.?)
